Temporary Closure of Stairwell in Olin Residence

Hall

On Tuesday, August 2, we will be replacing the flooring and will need to close the east stairwell of Olin Residence Hall going into the link of the East Building from 7am until 12pm. We apologize for the inconvenience.

Temporary Link Closure to Pedestrian Traffic

The link will be closed from 6am until 5pm on Saturday, July 30 due to precaste concrete pick above the link in EPNEC, BJCIH and the Institute of Rehab. During the day, there will be a spotter and signage while swinging panels above the link.

Temporary Closure of BJCIH Loading Dock

Due to the installation of precaste concrete at the BJCIH loading dock, the service drive will be closed from Taylor Avenue to the loading dock from 6am on Saturday, July 30 until 5pm on Sunday, July 31.

Link Construction - Scaffolding Erection

Sent on behalf of BJH:

From 7pm today until 5am tomorrow, workers will erect scaffolding over the Metro Garage doors and ramp for the link construction. Egress will be maintained at all times to the elevator lobby and drive ramp.

Q & A for Link Construction

Sent on behalf of BJH:

A **Q & A sheet** has been developed to answer questions about the link construction.
