**FACILITIES OPERATIONS UPDATE  
(September 9<sup>th</sup>, 2014)**

***(Important WUSM coordinative communication. Please share by email.)***

---

To: Key Stakeholders  
CC: Facilities Management

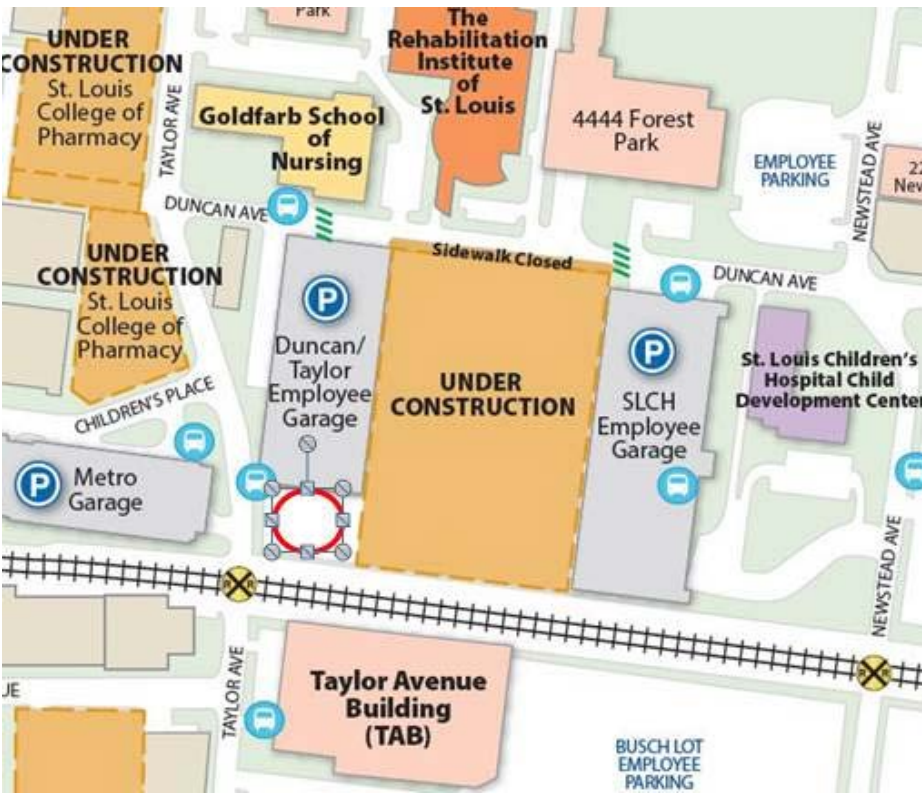

**This day's topic includes:**

- **Construction in Duncan/Taylor Entry Drive Lane**
- 

## **Construction in Duncan/Taylor Entry Drive Lane**

**From: BJC Planning, Design, and Construction**

From September 10<sup>th</sup> through September 19<sup>th</sup>, construction machinery will drill piers in one of the two entry drive lanes off Taylor Avenue leading to the Duncan-Taylor garage. Existing lanes will be reconfigured to continue to allow two lanes of cars to enter. Flaggers will help direct incoming traffic. Cars exiting the garage will not be affected. The red circle on the map below is the area mentioned.
