

## Rider Alert

# Central West End MetroLink Station CLOSED

**Saturday, October 23 & Sunday, October 24**

Due to construction work, the Central West End Station will be closed the weekend of October 23 & 24, and MetroLink trains will not stop at the station.

### **10/23 & 10/24 - Traveling to Central West End Station**

MetroLink riders who need to travel to the Central West End Station will need to exit the train at the **Cortex MetroLink Station**. A MetroBus shuttle will be available to transport riders to the bus area of the Central West End Station.

### **10/23 & 10/24 – Traveling from Central West End Station**

Riders connecting with MetroLink from the Central West End Station will need to board a MetroBus shuttle at the bus area of the station, located east of the platform at Taylor & Childrens Place. The shuttle will transport riders to MetroLink trains at the Cortex Station.

Riders traveling to or from the Central West End Station on October 23 & 24 should allow an extra 15 minutes for their commute. The Central West End Station will reopen at the beginning of MetroLink service on Monday, October 25.

MetroBus routes serving the Central West End Station will not be affected and will operate on their normal weekend schedules.

For assistance, please contact Metro Transit Information at 314.231.2345 (phone) or 314.207.9786 (text), available Monday to Friday from 7 a.m. to 6 p.m.
