

**FACILITIES OPERATIONS UPDATE
(Week of October 4th to October 10th, 2015)**

(Important WUSM coordinative communication. Please share by email.)

To: Key Stakeholders
CC: Facilities Management

This week's topics include:

- **Temporary Lane Changes at IOH Dock**
-

Temporary Lane Changes at IOH Dock

From: Steve Smith, General Services Manager

Clayco will be drilling piers for the MCC building project on the south side of the entrance to the IOH dock beginning on Wednesday, October 7th.

There should be a lane for dock traffic open at all times during this process to allow vehicles to enter and exit the dock area.

This work is expected to take 4 business days to complete.
