 - Shell Cafe - Closure Due to Renovations

Upcoming Street Work on Clayton Avenue

As part of TFC's project to extend the underground duct-bank on Clayton Avenue, east of Boyle, there will be street work beginning on Monday, December 28th. Please see attached for a map of the campus for reference.

On Monday, December 28th, Castle Contracting will begin street work on the Medical Campus that includes work on Clayton Avenue near Boyle Avenue. Castle will be installing a new TFC underground duct-bank that will extend the current duct-bank on Clayton at Boyle (*manhole #71 on attached map*), eastward, underground for approximately 400 feet, to a point at the east end of the BJC @ the Commons Building (aka AOB), then north from a new manhole in the street, to an existing hand-hole in the north sidewalk adjacent to the Commons property. The excavation route for the duct-bank is anticipated to run east/west, south of the Clayton Avenue center line and close to the south curb of Clayton.

Weather permitting, the planned duration of this work is through close of business on February 27, 2016.

All street work will be done during evening shifts, beginning at 10:30 pm and ending each morning at 8 am.

There are NO anticipated street closures involved, but intermittent lane obstructions and traffic shifts will occur. Street parking along the south curb of Clayton will be blocked in the area of work as necessary. The Castle crew will provide traffic and safety control to include flagmen, cones, plating (*where appropriate*), and warning signs during all work times.

Please direct any questions or concerns to Tony Noto at 314-362-3432 or 314-304-0953 or Tim Rand at 314-362-0040.

Barnes & Noble Bookstore and Cafe Holiday Hours

Due to the upcoming holidays, the Barnes & Noble Bookstore and Cafe will be CLOSED on:

Thursday, December 24th

Friday, December 25th

Thursday, December 31st

Friday, January 1st

Changes to Emergency Assembly Points for Select Buildings

Please be advised that Emergency Assembly Point (EAP) #107 has changed locations. The EAP has been moved from the front of the TAB Building to the new courtyard, southwest corner, directly across Scott Avenue from the East Building main entrance. The EAP signs are located on a light pole just outside the East McDonnell Science southeast entrance. The buildings affected by this change are:

East Building

East Imaging

Biotechnology Building

We have placed temporary notification signs at various points throughout these locations which will remain in place until the permanent Emergency Evacuation signs, which are found in the elevator lobbies, can be updated. The reason for this change is to alleviate anyone having to cross Taylor Avenue during a building evacuation. Please inform your department personnel of this change and direct them to use this EAP any time there is a building evacuation.

Bon Appetit Meet & Greet Happy Hour

There is still one more meet & greet this afternoon. See below for details.

BON APPÉTIT CATERING INVITES YOU TO

MEET & GREET HAPPY HOUR

Meet. Eat. Learn.

Explore the way Bon Appétit Catering can enhance your events. Meet our catering team, taste some of our menu items and learn about our new online ordering system!

SHELL CAFÉ • 2pm - 4pm
Tuesday, 12/8 or Wednesday, 12/16

refreshments will be provided
RSVPs requested • wucatering@cafebonappetit.com

Shell Cafe - Closure Due to Renovations

From Saturday, December 19th until Sunday, January 3rd, the Shell Café will be closed for renovations. We will be renovating the space to provide an updated and more comfortable experience for you! See the [flyer and board](#) for more information.

As part of the renovations, we will be replacing the seating and flooring as well as adding additional seating. Since the renovations will take some time, we may start to pull furniture out of the Café prior to December 19th. Due to the amount of new chairs being ordered, it's possible we may have replacement chairs when the Café opens on January 4th but this is only temporary until all of the new chairs come in.

While the Shell Café is closed, the FLTC Café will have holiday hours from 6:30am to 3pm. We apologize for the inconvenience during construction but we are excited to be able to provide a much more pleasant dining experience for you when the Café reopens!
