- Earth Day Celebration
- Crane Placement on Children's Place
- Safety Reminder

BJCIH Loading Dock Temporary Closure

On Saturday, April 2nd, the access drive to the BJCIH loading dock will be blocked for delivery of equipment to the MCC project. No deliveries will be able to be received at the

BJCIH loading dock during the hours of 6am to 5pm. If deliveries need to occur during this time period, the delivery will need to be routed through a different dock on campus.

Earth Day Celebration

Join us for the 2016 Earth Day Celebration in Hope Plaza on Thursday, April 14th from 11am to 1pm. See **the flyer** for more details.

Crane Placement on Children's Place

A crane will set the third section of the Mid Campus Center substation on Saturday, April 9th . The crane will be located on Children's Place adjacent to the Mid Campus Center substation immediately east of the MCC work zone.

Safety Reminder

As a reminder, if you observe suspicious actions and packages, please report it to Protective Services by dialing 2-HELP (314-362-4357). If you see something, say something. Please feel free to post **the flyer** in your offices.
