Garage access road opens Monday, February 6

As construction nears completion of the link connecting SLCH, BJH and WUSM employee parking to the main campus, the road just south of the Duncan Taylor, Duncan Central and SLCH garages will reopen on Monday, February 6. See [the map](#) for more information.

Construction of the link began last year. The garage access road closed in July to enable contractors to work during the daytime.

The link will open March 1. Watch for more information about the link opening.
