Hope Plaza reflecting pool scheduled for spring cleaning

Spring cleaning of the Hope Plaza Reflecting Pool is scheduled for March 27 to March 31. The pool will be drained and then cleaned and inspected during the course of the week. Some minor disruption to pedestrian traffic is possible. This project is anticipated to take approximately 3 days and is weather dependent.

Sidewalk sealing/caulking at Mid Campus Center

From Friday, March 31 to Sunday, April 2, workers will power wash and seal the exposed aggregate sidewalks/plaza area at the Mid Campus Center. They will power wash on Friday and then seal the concrete in phases to maintain access to the Mid Campus Center main entry. There will be no impact to the MetroLink access.
